2016 TESTIMONIALS

Our children have had an excellent experience at Rain Trees, the warmth of all the staff has made it feel like a second home. Our daughter has thrived here and I feel the foundations have been set for a **love of learning** which will stay with her. It's a small school but it's bursting with positivity.

Naomi and Phillip Clarke, parents of Grace and Theodore (UK)

Our Son has really enjoyed his time at Raintrees. His command on the English **language** has also developed significantly.

Munenari and Machiko Nomura, parents of Masanari and Hisanari (Japan)

We couldn't have been luckier in choosing this school for our twin boys. They **settled** in from the moment they walked into the classroom!

Gill and Jim Burns, parents of Angus and Robert (UK)

My son attended has attended RainTrees for two years and we couldn't be any happier with a preschool! He immediately felt right at home in the warm cheery environment and with the friendly and superb **teaching staff**. My son has learned so much **academically** and **socially** through all the fun activities that the teachers plan. He loves his school so much that he is sad when he is ill or has to be picked up early and has even asked his teachers to move back to the U.S. with us and be his teachers there! We loved our time at RainTrees and would have gladly sent my younger daughter as soon as she turned two if we weren't leaving SG. Their new school will definitely have big shoes to fill after such a **wonderful experience** at RainTrees!
