“I couldn't be happier with the choice of Rain Trees for our son, he's been very happy every single day he had to go to school in these past 2 years. Our expectations have been met and overcome! Rain Trees team has all of our gratitude and love for such amazing time spent there. ”

*Fernanda Passarelli and Tiago Godinho,
parents of Enzo (Canadian)*

We and our daughter have enjoyed being part of the Rain Trees community. As a small school it was the perfect place for her first solo adventures, and she has grown in confidence as well as learning so much. We like the balance of structure and fun, and the wide range of activities centering on a specific topic which has really anchored her learning and introduced many new concepts. The staff are highly committed and small classes enable them to really get to know each child. Probably the best testimonial is that our daughter is not only happy to attend school each day, but herself asked to stay on for an extended day.

ALL OUR PARENTS HAVE OVERWHELMINGLY RECOMMENDED RAIN TREES TO THEIR FRIENDS AND COLLEAGUES .

“Rain Trees is a delightful children orientated nursery with a caring ‘village feel’ to it. All the teaching staff are so welcoming, enthusiastic and happy and go out of their way to help in any way they can. Classrooms are bright and fun with a variety of learning material and toys on offer. We could not have wished for a better start for our Son. “
