2019 TESTIMONIALS

"I could not recommend Rain Trees highly enough. It is a fantastic school, with amazing teachers and support staff. My daughter has thrived in the caring and fun environment and her confidence has grown and grown. We will be very sad when she has to leave to move on to big school but cannot wait for our next daughter to start!"

Beth and Sebastian, Parents of Coco (British)

"We have had all 3 kids in Rain Trees and have not felt the need to look further. Quality teachers, open doors, inclusivity and lots of play were our priorities and we found this in Rain Trees. The parent engagement is fantastic."

Michaela and Shuen-Loong, parents of Liam and Samuel (Singaporean)

89% OF PARENTS RATE OUR TEACHERS AS FANTASTIC

"As soon as you join Rain Trees you feel part of the Rain Trees family. It has a small intimate feel and you feel as though your child is a very important part of the school and not just another pupil. My Daughter is currently in Dragonflies with Ms Terisa and seems to be well ahead of her peers attending other nurseries, this seems to have been achieved in a very fun and nurturing environment where they learn through play based activities. We have decided to keep our Daughter at the school for the final year, rather than moving her to a large international school for the nursery year as we have heard fantastic feedback about the Busy Bee year, teacher and class size. 93% RATE OUR OFFICE ADMIN AND COMMS AS FANTASTIC

"My son attended Rain Trees for almost two years before he left to join his older brother at an International school. As soon as we arrived in Singapore Gus and I attended the Mum and Toddler group and then once he was older enough Gus joined the Kindergarten. For myself and Gus moving from the UK to Singapore, Rain Trees was incredibly welcoming, not only to Gus but also to me. We have made some good friends through Rain Trees which was a wonderful way to start our expat life in Singapore. Gus has loved his time at Rain Trees and he will miss it. But we know that we will keep in touch with the friends he has made there. Thank you"

Rebecca and Edward, Parents of Gus (British)

CARING | EXPLORING | FUN

“Fantastic nursery with an excellent culture of learning and fun. Our Daughter Bella has been incredibly happy at Rain trees and we would not hesitate to recommend it.”

Jane and Robin, Parents of Bella (British)

“Our daughter was only at Rain Trees for a short period of time, but she LOVED her time at the school. It's play focused, she learned a lot, and she spoke about her friends and teachers daily. While she only attended 2-3 days per week, she woke up every morning asking if she was going to school! Rain Trees also builds a great community with the families, which is great for families new to Singapore. We highly recommend the school!”

Emily and Rob Greene, Parents of Rose (American)

“Our twins have attended Rain Trees International Kindergarten the past two years. We are impressed how much they have progressed during that time. The teachers, Ms. Terisa and Ms. Gail and their assistants have been excellent. The twins were happy and excited to go to school at Rain Trees each and every day. “

Carmela and Bob, Parents of Aidan and Airel (American)

93% OF OUR PARENTS HAVE RECOMMENDED RAIN TREES TO THEIR FRIENDS AND COLLEAGUES .

“Our Son started in the Mother and toddler group when he was two and this summer he will ‘graduate’ from the Busy Bees at nearly 5. What a wonderful 3 happy years he has spent at this unique, family oriented, special nursery. He has learned through play the whole way and we’ve made some lovely friends too. We couldn’t have been happier with our choice of nursery!”
