2020 TESTIMONIALS

"I highly recommend Rain Trees as they create an environment that is both fun and nurturing for the children to learn in. My daughter loves going in and has really blossomed there so as parents we couldn't be happier."

Jessica and David , Parents of Cosima (British)

"Rain Trees has given our son exactly the kind of "first time school" experience we hoped he would have: welcoming, comforting and fun. We feel that all the teachers and support staff put great effort into making kindergarten a positive and loving experience, which we think sets the children on a good path for their future school journey."

Natasha and Andrew, Parents of Christian (Singaporean)

93% of PARENTS RATE OUR TEACHERS AS FANTASTIC

"We would not hesitate in making a recommendation of Rain Trees to any other parents. Our son Michael has come on leaps and bounds since he started 6 months ago. While we were naturally apprehensive about how he would settle in, the staff at the school (in particular Miss Alice and Miss Iva) were so caring and attentive to him that he was fully settled after just 1-2 days. The facilities and green space at the school are great, Michael particularly loves the outdoor areas. We love the daily and weekly updates-it's so nice to get photos during the day! The communication from the staff is excellent, they are always available to answer any queries or concerns. We look forward to Michael continuing his early learning at the school over the coming years."

CARING | EXPLORING | FUN

“My 3 year old son is so proud to go to Rain Trees and asks to go every day. The teachers are very caring and nurturing. We couldn't be happier with our choice of school.”

Lauren and Simon , Parents of Jonty (New Zealand)

“Rain Trees offers the perfect friendly first experience of school life that every child should have. Both our boys went there and they are confident, happy children who genuinely enjoy going to school - something I cannot thank Rain Trees for enough. The teachers are fantastic and are our children's first true loves. This school has been wonderful for us.”

Bridget and David, Parents of Ziggy (British)

“Arya has been attending Rain Trees since 2018 when we moved to Singapore from London. The nursery has an incredibly nurturing team who are committed to providing excellent pre-school education. Arya loved learning something new every day and it was a joy to see this from the very first day she attended Rain Trees. Teachers are always there to talk and listen to feedback as well as work collaboratively with parents when making decisions regarding Arya. This is key for us as parents, and Rain Trees has exceeded our expectations and we know it will contribute hugely to Arya's education as well as her / our outlook.

Iyngaran and Dhashaini, Parents of Arya (Malaysian)

93% of our parents have recommended Rain Trees to their friends and colleagues

“Raintrees has been the best decision we have ever made! We have found it to be a very inclusive, accommodating environment, especially for our child with some special needs. The teachers are loving and nurturing and it's wonderful to see them focus on the strengths and abilities of each child, encouraging them to learn and grow. The entire team is just fantastic and we are very sad to be leaving.
