2025 TESTIMONIALS

Raintrees has without a doubt been the best choice for my daughter's first ever school experience. They make the kids feel so welcome and give extra attention to every child's need to make them more comfortable in the class. The teachers are warm and welcoming. The playground is huge for kids to run around which is quite rare in Singapore pre schools. I would highly recommend Raintrees to every parent.

100% OF PARENTS SURVEYED AGREE OR STRONGLY AGREE THAT WE LIVE UP TO OUR ETHOS OF 'CARING EXPLORING & FUN'

The school provides a nurturing and safe environment that helps children learn, grow, and thrive—there are so many fun lessons and activities, including cooking days, mystery readers, splash time, crafting, school trips, dress-up days, and more. Especially during festivals, the teachers stay focused on the theme, giving our kids a festive spirit and an international perspective! You'll experience an amazing global culture at our school! There is also a lovely garden at Rain Trees, where the children can stay close to nature. Exploring is so much fun! Imagine finding a frog after a rainy day!

We are really couldn't be happier that we chose Rain Trees Kindergarten, our son has been there for several years and absolutely loves it, and our daughter has now joined also and is very happy there. The teachers and staff are amazing, very nurturing and caring, and it's such a lovely close knit community. I'm constantly impressed with the things the children have been learning and doing. They also have a fantastic large garden so they can get lots of outdoor time during the day.

CARING | EXPLORING | FUN

Raintrees is truly a school that mirrored our core values and they live and breathe their ethos everyday. It is a happy school but does not compromise on what you child learns everyday, they do it in such a fun way, that kids don't realize how much they are learning. I have found the teachers, principle, admin team including the cleaners, all very kind and willing to help and support. My daughter had the best 2 years at Raintrees and I am truly grateful that she gets to start her education this way! Thank you Raintrees! You are the best!
